Art Camps - We've designed camps that encourage your child's experimentation with a variety of art materials and techniques. The focus is on fun as we cultivate their passion to create!

Honors Art Camp - For the more serious art student who loves making art, has the creative drive to explore deeper into the world of painting, drawing or sculpture, and is willing to focus on a single piece of work through completion. Taught by the awesome Mr. Scott!

Printmaking Fun - Creating an image and reproducing it in various ways is the essence of this art. Exploring all the fun and various ways you can do that is super fun! Paints, inks, stamps, dyes, paper, fabric, glue...it's all in this class!

Abstract Painting - Imaginations soar and paint flies when kids paint outside the lines in this fun class. Dress for mess!

Class Descriptions

A.I.T. - Artist In Training - The focus is on process and FUN as little ones express their unique vision in a variety of creative ways! Workshops are priced individually, each one will be different. Sign up for as many as you like!

C.I.T. - Chef In Training - In these one-day workshops kids enjoy a hands on cooking experience. Our most popular class now opens to more age groups! Priced individually, each workshop will be different. Sign up for as many as you like!

Filmmaking, Robotics, Claymation & Stop Action Animation - Presented by Box of Light Theatre, these classes offer wonderful arts experiences for students of all ages. These classes are fun and extremely hands-on! The performers will lead your child through the process of building, videotaping and adding sound effects to their own stop-action animations. Awesome fun while building social skills, fine-motor skills, sequencing, composition, communication, collaboration, and story telling skills. Visit www.boxoflight.org to see videos of this class in action!
